

Time	Tuesday September 19, 2017	Speakers
07:00-08:00	Tutorial Registration (Escuela Politécnica Nacional)	
08:00-11:30	Tutorial 1: State Estimation in Smart Grids	Antonio Gomez-Exposito, Univ. Sevilla, Spain
12:00-15:30	Tutorial 2: Microgrids	Rodrigo Palma, Univ. Chile, Santiago Claudio Cañizares, Univ. Waterloo, Canada
16:00-19:30	Tutorial 3: Smart Grid Simulations	Federico Milano, Univ. College Dublin, Ireland Jaime Cepeda, CENACE, Ecuador

Time	Wednesday September 20, 2017	Speakers
7:00-8:00	Registration (Hotel JW Marriot)	
8:00-8:40	Inauguration event and speeches	- Damir Novosel, Quanta Tech. PES President, US - Minister of Electricity and Renewable Energy, Ecuador
8:40-9:40	Keynote: "Implementing The ENERNET: The Latin America Use Case"	Renato Céspedes, RConsulting Group, Colombia
9:40-10:00	Coffee break	
10:00-12:00	4 parallel paper sessions with 5 papers, 20 min each one	
12:00-13:30	Lunch	
13:30-15:30	Panel: "Smart Grid Recent Advancements and Applications" presentations (15 min) and discussion (45 min), 6 experts from academy and industry	Chair: -Claudio Cañizares, Univ. Waterloo and 2017 ISGT LA Tech. Chair, Canada Panelists: -Renato Céspedes, RConsulting Group, Colombia -Antonio Gómez-Exposito, Univ. Seville, Spain -Federico Milano, Univ. College Dublin, Ireland -Rodrigo Palma, Univ. Chile-Santiago -Saifur Rahman, Virginia Tech and IEEE PES President Elect, US -Diego Morales, Ministry of Electricity, Ecuador
15:30-16:00	Coffee break	
16:00-18:00	4 parallel paper sessions with 5 papers, 20 min each one	
20:00-22:00	Welcome Cocktail (Hotel JW Marriot)	

Time	Thursday September 21, 2017	Speakers
08:00-08:30	Registration Registration (Hotel JW Marriot)	
8:30-9:30	Keynote: "How Smart Is Your Smart Grid?"	Jonathan Sykes, PG&E and PES Exec. Committe member, US
9:30-10:00	Coffee break	
10:00-12:00	4 parallel paper sessions with 5 papers, 20 min each one	
12:00-13:30	Lunch	
13:30-15:30	Panel: "Integration of SCADA/Energy Management Systems and Synchrophasor Management Systems (WAMPAC) at Energy Control Centers" presentations (15 min) and discussion (45 min), 6 experts from various regional operators	Chair: -Gabriel Argüello, CENACE and 2017 ISGT LA General Chair, Ecuador Panelists: -David Elizondo, Quanta Technologies, US -Jaime Cepeda, CENACE, Ecuador -Alfredo Olachea, CENACE, Mexico -Jorge Vargas, Coordinador Eléctrico Nacional, Chile -Hernán Sanchez, XM, Colombia, colleague to be confirmed -Bojan Mahkovec, Elpros, Slovenia
15:30-16:00	Coffee break	
16:00-18:00	4 parallel paper sessions with 5 papers, 20 min each one	
19:00 - 22:00	Gala Dinner	

Time	Friday Sept. 22, 2017	Speakers
08:00-08:30	Registration (Hotel JW Marriot)	
8:30-9:30	Keynote: "Design, Planning and Operation of Grid of the Future and its elements"	Shay Bahramirad, ComEd and PES Exec. Committee member, US
9:30-10:00	Coffee break	
10:00-12:00	4 parallel paper sessions with 5 papers, 20 min each one	
12:00-13:30	Lunch	
13:30-15:30	Panel: "International best practices for the integration of transmission and distribution systems" presentations (15 min) and discussion (45 min), 5 experts	Chair: -Damir Novosel, Quantas Tech. and PES President, US Panelists: -Jonathan Sykes, PG&E and PES Exec. Committee member, US -Bruno Meyer, RTE and PES Exec. Committee member, France -Hugo Perez, NERC, US -Wilson Mejía, TRANSELECTRIC, Ecuador -Heriberto Idrovo, CENTROSUR, Ecuador -Patricio Erazo, Ministry of Electricity, Ecuador
15:30-16:00	Closing Ceremony (Hotel JW Marriot)	

Time	Saturday Sept. 23, 2017
08:00-16:00	Technical visit(s)
